About us

IITAAK (Pan IIT Chapter of Korea) is a dynamic group of IIT graduates (IITians) living and working in the Republic of Korea. Our purpose is to bring together IITians in Korea by providing them a platform for exchange of ideas and by arranging a series of interesting events of various flavors.

For the members, we provide exclusive access to our collective knowledge pool and to our growing network – both professional and social, enriched by valuable inputs from eminent personalities. [Read more...](#)
